DELIVERY- All trucking with be coordinated with Falls Transport. Even if you are bringing your own truck, please liase with Lockie on 0429 826 342 and have written instructions on your Buyers Registration Slip.

TICK FEVER AND 3 Day- We have Tick Fever and 3 Day Vaccine delivered for treatment on 11/9/2025 for those requiring it. Please inform the desk after the sale and nominate this on your Buyers Instruction slip. If you are online, please call Stuart 0417 674 412 to discuss details. Provided full insurance is taken out, bulls can remain at Mingary for up to 2 mths at no additional charge without voiding the free freight to major centres.

* These Lots will require an additional morphology test before delivery. We are expecting results back sale day and will update. Please see P3 of the catalogue for our guarantee. These bulls have slightly immature sperm (not uncommon for this age bracket) that we are confident will correct in the next month.
